

MERCHANT SERVICES

Winchester Savings Bank is pleased to offer Merchant Services provided by **Merchant Consulting Group (MCG)** of Salem, MA.

Merchant Services allow your business to accept credit and debit card payments from your customers, and MCG will handle everything from the initial review of your current services to installation of new equipment and 24-hour support for any questions or concerns you have.

Do you accept card payments already? Let MCG review your processing fees for possible savings. **Do you need to upgrade to equipment that accepts EMV chip cards?** MCG can get you up and running quickly. **Do you want to learn more about the process and cost of starting from scratch?** We'll join you in a free consultation with MCG to answer any questions you have.

Accept any payment type, including EMV chip cards and Apple Pay, Google Pay, and Samsung Pay!

Accept payments online!

Call MCG for a free analysis of your processing statement at **(978) 744-9090** or email them at **sales@MerchantConsultingGroup.com**.

MCG is a local, Salem, Massachusetts company that cares about its customers. They are the only payments company in the state that provides onsite service and support for both payment terminals and the Clover POS systems. Contact MCG for a FREE price comparison of your processing fees.

Merchant Consulting Group is not affiliated with Winchester Savings Bank.
