

Please join us in
supporting **Boston
Health Care for the
Homeless Program's Annual Sock Drive!**

BOSTON HEALTH CARE *for*
the HOMELESS PROGRAM

Drive ends October 22!

Bring pairs of **NEW, WHITE socks** to any WSB location, and drop them off. We'll deliver everything we collect to BHCHP on October 25.

Access to shoes and socks is often limited for the homeless men and women living in shelters and on the streets. Rain-soaked feet, ill-fitting shoes, constant standing and diseases like diabetes take their toll on the feet of homeless people. Every day, BHCHP's nurses and physicians treat a range of foot ailments - from trench foot to skin infections, from frostbite to nail diseases. The best way to prevent such conditions is to keep feet clean and dry - very difficult if you spend your days outside.

Please visit www.bhchp.org for more information about this wonderful organization.
