Visa Account Updater (VAU) Service – Notice of Right to Opt Out

Effective October 1, 2017, Visa requires all VISA card issuers to participate in the Visa Account Updater Service, **unless its customers opt-out**. The VAU Service is a free, secure method to update your card information with participating merchants if your card has expired or you receive a new card number for any reason. The VAU Service will electronically provide updated card information to participating merchants who maintain your card information on file for preauthorized debits, and other merchants you authorized to retain your card information for recurring purchases or payments. Examples are subscription services and utility companies. *You do not need to do anything to participate in this service.* **To opt out of the VAU Service, please initial in this box**

Please review the Electronic Funds Transfer Disclosure for more details on limitations on the frequency and amount of transfers using your ATM or VISA Debit Card. By signing below I acknowledge receipt of the Electronic Fund Transfers Disclosure and agree to be bound by the terms therein.
