

PAYMENT SOLUTIONS BAKED FRESH

PAYSTRI IS A PAYMENTS TECHNOLOGY
AND STRATEGIC SOLUTIONS COMPANY

We help businesses of all sizes realize the full potential of customer payments.

Our unique ingredients - including streamlined payments technology, straightforward pricing, and strategic customer support - deliver value that's unparalleled in the payments industry.

We do it with:

Streamlined payments technology designed to adapt.

The Paystri Payment Platform is flexible, fully customizable technology that connects the dots no matter how customers choose to pay. Card readers integrate effortlessly at the point-of-sale (POS) for chip (EMV), swiped, and contactless payments.

Straightforward, no-nonsense pricing.

Our transparent, honest approach to pricing means no hidden fees and no surprises. Value-added services are included in the price of processing.

Strategic support delivered by real humans.

In-house payment experts are accessible around-the-clock to provide strategic customer support and guidance.
